

Mission Statement

The mission of Swaddling Clothes is to share the mercy of Christ with our neighbors through the gifts of clothing, food, friendship, and the forgiving Word of God.

How does “Swaddling Clothes” work?

From various donors, we assemble a collection of items associated with pregnancy and motherhood—maternity and baby clothes, diapers, formula, bottles, etc... Then, on the second Saturday of each month, Prince of Peace hosts a “shopping day” where you can survey our collection and take whatever you need, up to a certain number of items. If any of the items you take can be re-donated to Swaddling Clothes when you are done with them, we ask that you do so to help those in need after you.

We also partner with a number of other organizations, providing you with referrals if you are seeking counseling, health care, employment, etc... And, of course, being a part of a Lutheran congregation, we are always ready to share pastoral care and a Gospel word with those who need them.

The Sanctity of Life

God’s eternal Son began His earthly life as an embryo. And when that embryo was a grown man, He shed His blood for the entire world, including those who were nothing more than a few cells in their mothers’ wombs.

For this reason, God never wants abortion to happen. And, as Christians, one of the greatest ways we can help keep our neighbor far from this temptation is by making pregnancy less frightening.

If you’re frightened that you don’t have the resources to care for the child in your womb or the children outside your womb, we’re here to help.

If you’re scared that you don’t know how to navigate this new part of your life, we’re here to help.

If you’re worried about judgment or rejection, we’re here with God’s word of mercy and hope, a word that no one can take away from you.

Christ loved you from your very beginning. He’ll love you to the end. That’s why we’re here.

About Prince of Peace

The seeds of Prince of Peace Lutheran Church were planted back in 1962 when members from a number of LCMS congregations began meeting together in Crestwood Elementary. The congregation continued to meet at the elementary school until the construction of our first building in May of 1966. Prince of Peace was served by a number of pastors in the following decades, including Rev. Dr. Mark Smith, who served from 1982 until 2019. In June of 2020, Prince of Peace called Rev. Hans Fiene to be the congregation’s pastor.

When it comes to what our congregation believes, we are rooted in the teachings of the Bible, the 66 canonical books of the Old and New Testaments, and the understanding of those books as expressed in a series of writings called the Lutheran Confessions. Because of this, our congregation has a strong emphasis on the Gospel, the good news that God has given us forgiveness, life, salvation through the blood of Jesus Christ. And we believe that our congregations exists to cover sinners in that saving blood through the waters of baptism, the preached word, and the Sacrament of Holy Communion that we celebrate each week.

We’d love to tell you more about Prince of Peace. For more information about our congregation, please contact us by phone or email.
