

How does “Swaddling Clothes” work?

From various donors, we assemble a collection of items associated with pregnancy and motherhood—maternity and baby clothes, diapers, formula, bottles, etc... Then, on the third Tuesday and following Saturday of each month, Hope hosts a “shopping day” where you can survey our collection and take whatever you need, up to a certain number of items. If any of the items you take can be re-donated to Swaddling Clothes when you are done with them, we ask that you do so to help those in need after you.

We also partner with a number of other organizations, providing you with referrals if you are seeking counseling, health care, employment, etc... And, of course, being a part of a Lutheran congregation, we are always ready to share pastoral care and a Gospel word with those who need them.

We are open the third Tuesday of the month 10:00-12:00 and the following Saturday, 10:00-12:00.

Donations can be brought in while we are open, or call to schedule a drop off time.

The mission of Swaddling Clothes is to share the mercy of Christ with our neighbors through the gifts of clothing, food, friendship, and the forgiving Word of God.

The Sanctity of Life

God’s eternal Son began His earthly life as an embryo. And when that embryo was a grown man, He shed His blood for the entire world, including those who were nothing more than a few cells in their mothers’ wombs.

For this reason, God never wants abortion to happen. And, as Christians, one of the greatest ways we can help keep our neighbor far from this temptation is by making pregnancy less frightening.

If you’re frightened that you don’t have the resources to care for the child in your womb or the children outside your womb, we’re here to help.

If you’re scared that you don’t know how to navigate this new part of your life, we’re here to help.

If you’re worried about judgment or rejection, we’re here with God’s word of mercy and hope, a word that no one can take away from you.

Christ loved you from your very beginning. He’ll love you to the end. That’s why we’re here.

About Hope

Hope Lutheran Chapel traces its beginnings to the initial Sunday drive-in worship service on July 4, 1958, at the facilities of the Glaize Drive-in Theater adjacent to KRMS Radio Station in Osage Beach. Since then it has grown into a full time ministry to the Lake of the Ozarks not only to those visiting but to those who live here full-time. Having concern for the welfare of the people who live and work here, we have the ministry Lambs of Hope, a day-care, preschool and afterschool program.

The Lutheran faith is often summarized in what is called the three solas; (only grace, only Scripture, only faith). It is only by God's grace that we hear the forgiveness of sins in Jesus and believe. It is only through faith, that we receive such forgiveness. It is only in the Holy Scriptures both Old and New Testament that we may know God's good will for us in Jesus. The teachings of the Lutheran Church can easily be found here:

www.bookofconcord.com.

We worship the way the Church of all ages has always worshipped having the old and always looking to finding the best timeless new to incorporate into our worship life.

We hope you visit us so you can learn more about what we teach and practice that you may be edified by us and we by you.
